By becoming a member of JenEhr Family Farm CSA, I agree to commit to the full season, picking up my produce on my designated day and times; I understand that if I miss my pick up, my produce will be donated to the local food pantry if other arrangements aren't made. I understand that this is a season long commitment between myself and JenEhr and I will not stop any payments due to JenEhr for the 2012 season once this enrollment contract is received by JenEhr.
